

TOUR OF PETERBOROUGH CATHEDRAL

This tour includes a guided tour of the floor of the cathedral and a behind the scenes tour of the roofs and above the vaults of this magnificent gothic structure which includes one of the finest gothic vaults ever built.

The tour will depart at 10am from the back behind Queens' aiming to arrive around midday in Peterborough. The tour will split into two groups: one group will tour the floor of the cathedral while the other goes up to the roofs. They will then swap. Numbers up to the roof are strictly limited so these will be assigned on a first come-first-served basis at the time of booking.
